## Living Through a Pandemic!

*"Shout, Daughters of Jerusalem! See, your king comes to you ...!"*

*Zechariah 9:9*

Dearest Members of St. Peter's:

How are you doing? For the past two and half months, we have patiently waited for the Coronavirus (COVID-19) to die down. We have stopped working, going to school, and going to church. But the resilience of God's people has been tremendous. We were not going to let this pandemic get the best of us.

Over this time period, the staff of St. Peter's Reformed Church was committed to staying connected, #AloneTogether, by coming to you via Facebook Live on Sunday Mornings for Worship and every weekday at 3:00 p.m. for daily devotions. We have had a variety of presenters with a selection of methods to share our time together. I am thankful for the many people who contributed by offering their time and talent through music, puppets, bible study, and personal reflection. We are in this together!

Currently we are in the "yellow" phase of the Governor's re-open system, praying for a "green" light real soon. The Consistory is beginning the process of looking at how to bring worshippers back into the church, tentatively slated for June 7th. It is going to be an exercise in flexibility and humility. Be sure to watch for a letter coming your way describing the regulations and restrictions that will be in place as we start the re-opening process for the church.

In the meantime, what can you do? The Bible provides some suggestions. Our faith has always endured crisis and those before us had depended on God who has always been our help in ages past and our help in years to come. Consider these examples of what those who lived in fear and angst did on that day and what you can do:

**1. Have HOPE, do not despair.** Our forefathers took comfort in the word of the Lord. They reminded each other of the words of the prophet Zechariah that God does not forget God's people. God told the prophet: "Shout, Daughters of Jerusalem! See, your king comes to you ...". Do not lose hope, the Lord will come and will take away this scourge and life will return to normal. The Lord will give us his peace and will provide what we need.

**2. Have FAITH, do not fear.** You have heard me mention many times that there is 365 verses in the bible that remind us to 'not fear'. God is with us, every step of the way. During these times of uncertainty, draw upon the faith that you have in things unseen to combat the things unseen. Fear has a tendency to cripple us and influence our decisions and choices. Remind yourself ... 'Faith over fear!'

**3. PRAY.** Waiting can take us to God but it is important to remember that it can also take us away from God. With people out of work, out of school and out of church, there is temptation to do things that go against your Christian way of thinking or acting. Please fight those urges and remember, "... the King comes to you" as the Prophet Zechariah had announced. We cannot wait for the king in a manner that does not honor the God.

**4. Turn OFF the News.** Tuning out the outside voices of the media can help ease the anxiety and fear you may be experiencing. Instead, pick your Bible and read what God has to say on how we should be waiting on Him, dealing with our anxiety, and loving our neighbors.

**5. Keep Busy!** Find something constructive to occupy your time. I found in the early stages of this pandemic that Kendra and I would binge-watch Netflix. It is so easy to get hooked on a series and watch continually because it automatically goes to the next episode. And while that may be good on a dreary, rainy Saturday – once in a while - a continual diet of this is not healthy. Find a hobby ... read a book ... send an encouraging note to someone ... do something that you have put off doing! I just received a text from Kendra with a picture attached. She is cleaning out her closet ... there are clothes everywhere! Yikes!

Folks, we are in this together and together we will get through it! We are living through a pandemic, but hang in there and trust that God has a plan remembering that "... your king comes to you!"

*"Dear Lord, my hands are tired, my feet are weak, and my mind is overwhelmed with fearful thoughts. But when it's hard to keep going, may your holy presence wrap me up and be my comfort. I put my hope and trust in you!"*

Looking forward to seeing you all soon ...

Loving and Missing you ...

From the president...

As every day seems to bring new changes to what we can do – and what we can't – sometimes we need to be reminded of what hasn't changed.

We all know Christ as our savior hasn't changed, no matter how much our form of worship may have. As a Consistory, it is also reassuring to see the response of the congregation hasn't changed, no matter how much seemingly everything else has.

As president of that consistory, it is equally reassuring to see how the dedication of those on consistory has stayed strong, even though the number of meetings has basically doubled and the way those meetings have been held has changed dramatically.

In early May, we were all reminded of how that dedication to this church also hasn't changed over time, as Bob Yohn was called home. Many of you never had the chance to know Bob because much of his work here was done decades ago, but we all have the chance to see the fruits of his labors and love of this church in the fact that we're still here.

He was Treasurer of this church for more years than anyone can remember and much of that time was as a volunteer. I still remember the “controversy” as we discussed on consistory how we were going to convince Bob to take a salary. We knew the job was worth it and we knew he knew the job was worth it... but he had to convince himself it was in the best interest of the church for the Treasurer to be paid before it could happen.

It eventually did happen and, eventually Bob's ledger - that would cover the kitchen table when he opened it - has been replaced by computer programs accessed by a button. Dedication of servants like Bob, though, is not as easily replaced and I salute all of you who are serving us now.

Thank you for your continued prayers for all of us and, if there are any other issues you feel we need to address, just let me know.

Thanks  
Bill

## Women's Ministry News

After much prayerful consideration, I have decided to **NOT** have Women's Ministry meet during the months of June and July. I hope to have a planning meeting possibly in August to discuss service events for the fall season.

If anyone has a need that we may help with over the summer, please make myself or Pastor Andrew aware. I may be reached at 724-622-2264 or call the church office.

I pray that everyone remains healthy and enjoys the summer season!

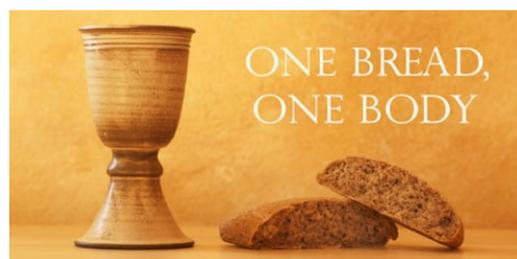

Wishing you blessings,

## **Director of Volunteer Ministries and Pastoral Intern Updates**

Greetings Church Family,

Can you believe it is already June? Last month, I talked about how I thought the time was going by slow yet fast, but now I truly believe things have gone by fast! As we enter into these summer months despite the Pandemic going on all around us, I pray you all find the time to get out and soak up those healthy sun rays. At the time of writing this, we are still in the yellow phase but my hope and prayer is that by the time you all read this, we will be in the green phase and on our way back to the “new normal” as they say.

I would like to start off by saying thank you again for everyone’s patience and incredibly kind words to myself and all the staff during this time. It was not easy transitioning to strictly online services and there have been some hiccups but I truly appreciate everyone’s patience and grace during this time. I would also like to publicly thank Eddie, Scott, Sharyn, and Keith Stauffer for coming in every Sunday to help with the services, we could not do it without them!

As we move forward into June, I am prayerful and optimistic that at some point, we will join together in person again for our various ministries. So, as that time approaches, I just ask that you all prayerfully consider checking out one of the amazing ministries that we have here at St. Peter’s. There are many different options and we would love to have you join us. Secondly, I would also like to remind everyone, that we will still be exploring the idea of small groups here at St. Peters, so again, I ask you all to prayerfully consider joining or even leading one.

Lastly, as many of you have already heard, we will be gathering together for worship on June 7<sup>th</sup>! I am truly excited about this opportunity and I look forward to seeing you all face to face. It may look differently but gathering for worship is always an amazing time. With all that being said, I want to encourage you that you should not feel pressured to return on the 7<sup>th</sup> if you are not comfortable or do not feel safe. We will still have the Facebook Live service available for anyone who would prefer to stay home. Please know that we want everyone to feel safe and comfortable and only you can make that determination for yourself and family. We love you all and miss gathering with you, but we also understand. We serve an awesome God and as we have learned, we do not always have to be physically present to worship together.

Hang Tough and Blessings,  
Pastor Andrew

Dear St. Peter's Church,

I extend my heartfelt thanks to all who have been so kind and thoughtful.

With gratitude,

## *THANK YOU'S continued ...*

*Dear St. Peter's Family,*

*I really appreciate the amazing gift I received. I would like to thank everyone who helped put together and delivered all the gifts. It really brightened up my day to see familiar faces from my church family and to be reminded of the support coming from my church. I really enjoyed reading the adorable advice cards from Pastor Jim, Pastor Andrew, and Aubrey.*

*Thank you,  
Madison Geis*

*Dear St. Peter's,*

*I would like to thank you all for the cards, phone calls and prayers during my cancer diagnosis and successful surgery. I am blessed to be a member of a very caring church.*

*God's Blessings,  
GeorgAnn Fogel*

*Dear brothers and sisters in Christ,*

*I wanted to thank you for all the cards, calls and prayers regarding the passing of my father on May 7th. He was a proud Navy veteran, and good father and a good Christian who had several health issues these last few years but is now at peace. He enjoyed seeing our Praise Team and listening to the Choir cantatas. It has been so difficult to grieve with all the virus restrictions - very limited viewing and funeral mass, and no graveside service. Being away from my church family has been especially hard now, but it is so good to know that you are all there for me and my family in spirit. Recently a pastor at Passavant had counseled him that when his time comes he would see his wife again (who passed in 2012), and while he was looking forward to that, he said he was really looking forward to finally meeting his mom, who died when he was very young. It makes me happy to know that he is now with her, his siblings, and our Savior. Thanks again for all your condolences, and I'm looking forward to seeing all of you soon.*

*Thanks,  
Dale Kryszinski*

**St. Peter's would like** to recognize all our high school, college, technical/trade school graduates in the July Newsletter. ## Library Highlights for June -

### READ All About It!

Now that June is upon us, it's time to relax and read, and the truth is that when you read a good book, it's a very relaxing way to spend your time!

We have one new fiction book this month:

**"Wishing on Buttercups"** - Book two in the '**Love Blossoms in Oregon**' series by Miralee Ferrell: 'Can Love Survive When Secrets Collide? She'd kept her secrets—those from her past, and those in the present—safely hidden. Beth Roberts knows that some things a lady simply doesn't share—especially in the 1880s West. After all, the townspeople would never understand. No one ever has. Jeffery Tucker, a handsome young writer, has kept his own secrets. He doesn't have the right to pry into Beth's affairs but finds himself strangely drawn to her and intrigued by the whiff of mystery surrounding her. Beth knows that one day, someone will unravel the threads of her life. And when two men from her past arrive, the truth might just hurt ... both Beth's future and her heart. As shadowy memories surface, Beth sketches the scenes she sees and is shocked by what—and who—her illustrations reveal. Dare she risk her heart again?'

The two non-fiction books for this month are wonderfully inspiring books.

**"Take Back Your Life!"** *10 Choices to Give You More Time, More Energy, and Better Relationships* by H. Dale Burke: 'No matter how hard we push ourselves to keep up with everything, it seems that we're constantly losing ground. Why is it that when we work harder to get ahead, we only find ourselves more busy, more buried, and more behind? Has Your Life Taken Control of You? God never intended for our lives to control us. It should be the other way around! Ultimately, it all comes down to the choices we make: To get *more* out of life, we need to *let go* of things; To become *great*, we must become *humble*; To achieve *more*, we need to simplify and do *less*. In **Take Back Your Life!** you'll discover 10 vital choices you can make toward a more peaceful and fulfilling existence. You'll return to life as God meant for it to be lived—and enjoy a far more rewarding life than you ever imagined.'

**"Provocative Faith"** *Walking Away from Ordinary* by Matthew Paul Turner: 'Is Your Faith Provocative? It may seem like an unusual way to describe faith. But faith, done Jesus style, isn't usual. It causes you to grate against the norm. It blows past others' expectations and seeks what God desires for you. It's characterized by freedom, joy, humility, and community. Provocative faith is living passionately and loving relentlessly, yet being willing to come in last. This book will inspire you on your journey toward deeper faith. In these pages, Matthew Paul Turner shares a fresh concept of grace that will give you a better understanding of God's goodness. His story—and those of others like you—will inspire you to break out of the ordinary and actively respond to Jesus's teachings. His relevant and influential voice for God will encourage you to pursue a more passionate faith for yourself. When your life reflects what Jesus intends, the result is passionate, stimulating, controversial, and challenging—in a word, provocative.'

Remember that there are lots of great books in our church library to take a chance on as we head into these relaxing summer months ahead, so come on in and check them out! Happy June reading!!

# StP Youth

Over the last two months all I have been able to think about is getting back to “normal” and resuming youth activities. In my mind, I envisioned a day would come when we could open the doors and simply pick up with our planned meetings and activities where we left off. However, now that the re-opening of church is upon us, I have come to realize that we must develop a new normal, one that allows us to gather while being safe and cautious. While we cannot just jump back into our old routines, I believe we can get back to gathering with some normalcy. Beginning in June, the youth will begin meeting in-person again. We are going to start slowly and cautiously and modify as needed. Please pray for our students as they return to church and for myself and other church leaders to receive guidance from God on how to best keep our students and staff safe as we travel this new course.

## Mission Trip Update:

Unfortunately, we have made the decision to postpone the summer 2020 mission trip to Lumberton, NC. We feel that this is the best decision for the safety of all our missionaries. We plan to travel with Team Effort in summer 2021 and they have agreed to apply all monies paid thus far to our 2021 trip. We will continue fundraising over the next year in the hopes that students and chaperones can raise all necessary funds for the trip. We are so appreciative of your unwavering and continued support!

## Youth Fundraisers:

**St. Peter's Cookbook** – Cookbooks have arrived! If you still need to pick yours up please contact Aubrey to make arrangements.

**Coin Drive** – Bring your loose change with you when you return to church and donate it towards our summer 2021 mission trip. There will be a large bucket near HeBrews Café for change donations.

**AmazonSmile** – when placing an order on Amazon, be sure to go through this link: <https://smile.amazon.com/ch/25-6050542>. A portion of your purchase is returned to the Youth Group and applied to their mission trip costs.

**Willing Worker** – We are hoping to be able to start scheduling WW projects starting mid-May, so please submit any requests to the church office!
