A PUBLICATION OF ST. PETER'S REFORMED CHURCH

The Joyful Noiseletter

Jesus 2020!

"...If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land." 2 Chronicles 7:14

Happy Fall Family and Friends!

I don't know about you, but I cannot wait for 2020 to be over! We, personally, corporately, and nationally have been through a year we would just as soon forget. Between a nasty virus and having to make some radical changes to how we live, work, and do church and all the racial tension caused by the BLM Movement and backlash to law enforcement, I'm ready to say "Good-bye 2020, hello 2021!" Yet we still have one BIG hurdle to overcome before the end of the year – the national election ... UGH!

I'm so tired of the commercials on TV, on the radio, and yes, even on Social Media. I dislike all the trash talking, all the name calling, and all the character assassinations that have been going on. And now the President has thrown into the mix, a Supreme Court Nominee, who is aptly qualified, but will undoubtedly bring strife on her and her family and her faith through the confirmation hearings.

About a week ago, Kendra and I were driving on Rt. 68 and we noticed one of those yard campaign signs that didn't have "Trump" or "Biden" on it, but rather had "Jesus 2020" on it! What a refreshing thought! If only this nation, which was founded on Judeo-Christian principles, would go back to that, we might see some radical changes for the good. I think we would see unity and peace and love prevail. I appreciate the writings of Ezra, suspected author of 2 Chronicles, who penned the verse listed above. It truly is going to take our nation humbling themselves and repenting to God, seeking forgiveness for restoration to occur.

I believe the church has been silent for way too long and quite possibly this is the reason we find ourselves in the mess we are in today. We, the church, have allowed prayer to be removed, have allowed God to be removed, and have allowed worldly thinking to slowly, but surely, creep into every aspect of our lives. And then we wonder why things seem so chaotic.

Below is an Op-Ed (Opinion Editorial) written by my colleague, friend and Director of Community Development for the 4C's that hit the nail on the head as we prepare to go to the polls on November 3rd. Rev. Dr. John Kimball is an accomplished leader, pastor, and author who challenges our critical thinking. This following piece is re-printed with his permission.

“Your candidate is not the answer to our country’s problems. Your political party’s platform is not the answer to our country’s problems. Your social justice organization is not the answer to our country’s problems. Your news source is not the answer to our country’s problems. Your favorite talking head (on radio or TV) is not the answer to our country’s problems. In fact, many of these may be CONTRIBUTORS to our country’s problems.

“Christian, vote your conscience, but put your trust in Jesus alone. Pray persistently. Act (personally) with humility and justice toward those who actually impact your life and community. Support the work of the kingdom through churches and organizations you have fully vetted to ensure they are REALLY following God’s call. And then rest in Him.

*“If every follower of Christ would do these things, I promise you our country would change. **Jesus and his mission are the answer to our country’s problems.** This is what we must pursue. Not simply sitting in a church pew or the Sunday rituals, but the actual transformation of lives produced by being disciplined in a real and personal relationship with Christ. Will you please stop being a Republican or Democrat and make Jesus your primary concern?”*

Dr. Kimball’s words are poignant and should make you think. Amid the chaos and the rhetoric that is going on, let us allow our conscience to guide us and put our emotions on the back burner. God is in control, even if we may not sense it nor see it! God knows what’s going on, and I believe he is grieved by the actions and behavior of his creation! What we need to do is think critically and objectively and realize how our actions and behavior will lift high the name of Jesus and further his kingdom here on earth.

We may just be living in the final days and see Jesus sooner than any of us anticipated! Come Lord Jesus, Come! But until that day, we must live our lives worthy of the calling that has been placed upon us. We are Christ-followers, whose identity we find ourselves in, and our actions and words must convey that. Remember to seek God and His Word for direction before you pull the lever. Allow the words of the prophet Ezra to bathe your conscience by humbling yourself, praying, seeking God’s face, and repenting. If we all would do that, He will hear us, forgive us, and heal our land.

As we approach November 3rd, please be in prayer for this great country we live in and believe that God is in control! May his blessing, peace and love be with us all!

Respectfully and lovingly yours,
Pastor Jim

WORLDWIDE COMMUNION ~ OCTOBER 4TH

Our next communion will be held on **Sunday, October 4th** (World Wide Communion) and the following is the ministry we will be supporting with our communion offerings. Founded in 1984 by Ravi Zacharias, Ravi Zacharias International Ministries (RZIM) brings the gospel of Jesus Christ to millions around the world. The organization’s goal is to touch both the heart and the intellect of the thinkers and influencers in society by tackling some of the toughest questions about faith and providing thoughtful answers. Its vision is to build a team with a fivefold thrust of evangelism, apologetics, spiritual disciplines, training, and humanitarian support so that the mandate of 1 Peter 3:15 might be fulfilled: *‘To set apart Christ in our hearts as Lord and always be prepared to give a reason for the hope that is within us, with gentleness and respect, all for the glory of God.’* The primary mission of Ravi Zacharias International Ministries is to reach and challenge those who shape the ideas of a culture with the credibility of the Gospel of Jesus Christ.

From the president...

If 2020 has taught us anything, it's that we should be prepared for anything.

If anyone would have suggested last year that I'd be called upon to preach on short notice, I'd have admitted that anything could happen but it would be highly unlikely. If anyone would have suggested that, under those circumstances, I would have chosen to preach on Job, we would have both enjoyed a laugh – a big one.

But the totally, absurdly unexpected happened.

Unfortunately, that probably isn't the last time something unexpected happens in 2020, either. The key seems to be our ability to expect the unexpected – and, as a result, I'm asking for your help in advance.

We have a congregational meeting coming up and Consistory will be setting that date at their October meeting. At that congregational meeting, we will be electing elders, deacons, and trustees for the next two years and approving a budget for 2021. To be totally upfront, there could be other items on the agenda – it's not the year to try and predict the future - and, if there are, they will be included in the meeting notice.

Given that eventuality, I read our Constitution closely to see if there were any provisions to cover establishing a lower quorum at a congregational meeting in situations like this. There aren't – and considering how many times that document has been examined and re-examined over the years, that's no accident. Some documents are written to stand the tests of time.

Consistory has done a commendable job handling head-on all the problems the Covid-19 crisis has presented. I haven't seen the 2021 budget or the full slate of Consistory candidates but I'm fully confident that attitude has continued and what is presented to the congregation will have been thought through completely and is worthy of your consideration.

I also know that discussions of those types of issues can seem to be at odds with the reasons we go to church and some feel compelled to leave before the meeting starts or simply not attend at all that week. I can sympathize with that view and understand it, but these are extraordinary circumstances.

I'm just asking that we all give serious consideration to attending the congregational meeting so the business of the church can continue smoothly and we can all focus on the real reason we go to church.

Thanks,
Bill

Director of Volunteer Ministries and Pastoral Intern Updates

Greeting's Church family,

Is it just me or is anyone else super excited to see the leaves start to change, the crispness of the air, and most important apple season?! If you cannot tell already, the fall season is my favorite time of year for all of those reasons plus it is usually when the various programs at church begin to return as well. This time of year is always busy but in a good way and this year is no exception despite the uncertainty out in the world. For me personally, the month of September was filled with a bunch of pastoral firsts for me. I had the honor to conduct my first solo funeral along with helping PJ with others. I also had the privilege to officiate my first solo wedding, congratulations again to the Kerr family. I was also able to fill in for PJ last weekend for Jenn and Jed to officiate their wedding as well. So, it was a fun and exciting month for me.

Additionally, we have had many of our small group and volunteer ministries return this month. PJ has a marriage/relationship study, there a few Bible studies, and lastly Julie and I will be starting a young adult small group. Also, our volunteer ministries have resumed, Women's Ministry was able to donate meals to the Bethlehem Haven, Sally Hamilton and the "We Care" group will be going out to visit some of our members in nursing facilities, and Al and Bea Barna have been holding their prayer group as well. I am so excited to see the amazing servant heart of so many individuals on display. If you would like more information on any of these groups, please do not hesitate to contact me!

Lastly, moving forward into the month of October, I would like to leave each of you with two challenges. The first challenge is too prayerfully consider how God is calling you to serve his people. Each person has unique gifts God gave and we are to use them, we have amazing opportunities to serve God and his people in a variety of ways. Secondly, I want to challenge all of you to continue to speak in love and kindness even more so as we move closer and closer to the November elections. Ephesians 4:15-14 says: *"Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ, from whom the whole body, joined and held together by every joint with which it is equipped, when each part is working properly, makes the body grow so that it builds itself up in love."* This is a stressful and contentious time for many people of differing ideas and we as Christians should not fall into the traps and temptations like the rest of the world. It is time to show the world that we are different and that our hope lays in Christ and not the political leaders of today.

Hang Tough and Blessings,
Pastor Andrew

News from Dorcas Circle (Sewing Circle)

During Pastor Jim's sermon on September 13, we learned a lot about Dorcas. In the Book of Acts we learned that her other name was Tabitha and she lived in the coastal town of Joppa. Dorcas was called a Disciple of Jesus and she was resurrected from death by Peter. What a special woman!

We love the heritage of Dorcas because she made beautiful garments for people in her community. That is why we have named our sewing circle for her. Pastor Jim was kind enough to show some of the craft items we make. These items include: walker bags for nursing homes, neck pillows for veterans, eye glass cases for the retirement community, items for the youth group and shut-ins, and much more.

You don't have to be a master seamstress to participate in Dorcas Circle. The projects just involve straight machine stitching, or stuffing, or cutting. And we will show you how to make everything! We don't believe in urgent deadlines. Each person just makes a few items at their own pace in their own home.

Please join us! To learn more you can contact: Janice Norris at 724.272.7801 email: rnorris@zbzoom.net or Catherine Thornberry at 724.513.2650 email: CatherineT0707@gmail.com.

We Care Visitations

We hope to visit with 13 of our shut-ins on Tuesday and Wednesday, October 6th and 7th. Many thanks to the following people: the TNT group and Aubrey Rader and her helpers for making a fall craft, to Sue Frankenstein for making exquisite Autumn Blessings cards and to Sandy Lee for the beautiful little (artificial) flower in a glass pot. Thanks also to all those who will do the visiting this month.

If you would like to be on the We Care visitation team, please contact Sally Hamilton at 724-538-3512 or 724-822-4530. Thank you!

Choir Resumes

St. Peter's Senior Choir has resumed singing in worship twice a month. We rehearse each Wednesday from 7:00 -8:00 p.m. in the sanctuary. If you would like to add your voice to ours, just come to rehearsals. We'll find the right place for you.

Make a Joyful Noise unto the Lord!

THANK YOU'S

Dear St. Peter's Church Family,

Thank you for your kindness in the loss of our father, grandfather and great-grandfather, Loy Thomas. We thank the "We Care" visitors and visits from Pastor Jim. We also thank you for the beautiful service by Pastor Jim, Pastor Andrew and the George Family for their music and for the lovely throw. We are truly blessed to be part of the St. Peter's Family.

Sincerely,

Dave and Karen Thomas & Family

Dear St. Peter's Reformed Church,

There is no greater feeling in a church than the feeling in the congregation of one saved. Scripture tells us that the angels of God rejoice at one sinner that repenteth. (Luke 14:10 KJV) But personally, my second greatest feeling is when churches have the opportunity to assist other churches in following the will of God for growth. Our thanks of your recent monetary donation (CPR Fund) to our building fund has helped us reach our first milestone in purchasing land for which to build our church cannot be understated. May the Lord continue to bless St. Peter's Reformed Church in all that you do today, tomorrow and well into the future. We will keep you updated as we move forward with our building campaign.

In His Service Together,

Pastor Andy Pepe

The Berean Bible Chapel of Butler

Dear St. Peter's Family,

Thanks to so many of you who have reached out to me during these past weeks of my recovery from bunion surgery. The gestures of kindness extended to me during my recuperation were and are still overwhelming. Whether you made food and brought it to me (I can't even describe how delicious everything has been) or sent a card, text, email, or called me on the phone (some long and lonely days were brightened immeasurably by those communications), all those outreaches demonstrated such thoughtfulness and gave me great joy! And most importantly, the prayers lifted up on my behalf for a successful surgery and a good recovery truly have been graciously answered by our merciful God, so I thank you for taking the time to pray for me. All of your collective concern and selfless acts have helped me to get through to the other side of my surgery, and I'll look forward to seeing you, my church family, when I'm back on both feet again!

In Christ,

Pam North

LIBRARY HIGHLIGHTS FOR OCTOBER - READ ALL ABOUT IT!!!!

COME VISIT THE
CHURCH LIBRARY

Several great 'reads' are new to the library this month. The first two are non-fiction and will end with a couple of fiction:

"The Attributes of God" by Arthur Pink: 'The timeless appeal of this classic book, written by a preacher with a worldwide ministry during the first half of the twentieth century, demonstrates the deep hunger for a saving knowledge of God present in each generation. Arthur Pink sought to give readers not just a theoretical knowledge of God but pointed them toward a personal relationship of yielding to him and living according to his biblical precepts. Pink's book explores attributes such as God's decrees, foreknowledge, sovereignty

"Classic Christianity - Life's Too Short to Miss the Real Thing" by Bob George: For every vibrant, fulfilled Christian, there seem to be nine who are doing "all the right things" but still feel bogged down, tied up, or burned out. What is it that's missing? Like so many believers, Bob George began his Christian life in love with the Savior only to end up years later disappointed and unfulfilled. Drawing on his own struggles and years of teaching and counseling experience, Bob cuts straight to the heart of the issues that cause so many believers to start out in excited enthusiasm only to end up merely "going through the motions" of the Christian life. In **Classic Christianity**, Bob shows us the way back to the life Jesus provided for us when He set us free from the bondage of the law, teaching us to live in the newness of life led by His Spirit. He answers vital questions such as: What does it mean to have Christ living in me?, How can I experience the joy of the Lord daily?, and If I'm a new creation, who do I still struggle with sin?'

"Dark Star - Confessions of a Rock Idol", Book 1 of the Rock Star Chronicles, by Creston Mapes: 'Ever since he was a kid from a troubled home growing up on the gritty backstreets of Cleveland, Ohio, Everett Lester longed to be somebody, to make a name for himself, to prove to his parents and the people who looked down on him that he would rise above, make it in this world—and make it big. Everett's garage band, DeathStroke, played bars, pool halls, and anyplace they could get a paycheck. Then a record label discovered them and the band experienced a meteoric rise to the top of the records charts—and superstardom. Despite Everett's unfathomable popularity and riches, he was spiraling out of control into a dark existence where everyone wanted a piece of him. He could find no privacy, genuine friends, joy, or contentment—even though, in the world's eyes, he had it all. When Everett begins to rely on the services of a personal psychic from L.A. for guidance and solace, he gradually finds a sinister form of evil seeping into his fractured life that threatens to end his career—and possibly his life. Through it all, he receives uplifting notes from a young lady in Kansas who claims she's not a fan, but a friend—someone who sees his desperation and depravity—and is praying for him. A murder trial ensues. The eyes of the world fall on courtroom B-3 in Miami-Dade County, Florida. Grab a front row seat and hold on tight. Dark Star is one of the widest rides ever encountered in modern inspirational fiction.'

"Full Tilt", Book 2 of the Rock Star Chronicles, by Creston Mapes: 'Everett Lester, former front-man for the heavy metal band DeathStroke and one of the world's most famous celebrities, has turned over a new leaf. The Living Water Tour will take Everett back out on the road as he performs for a new cause, but he quickly learns that outrunning his dark and tumultuous past will be impossible. Everett's wife, Karen, has received news that has rocked their world. Everett's gambling-addicted brother, Eddie and the rest of his deteriorating family greet Everett's new ambitions with hatred and disdain. And when the Mob closes in on Eddie, Everett and Karen are dragged into a nightmare-like world of unthinkable threats and diabolical violence. As if that wasn't enough, Eddie's son Wesley blames Everett for his brother's death. When Wesley hooks up with psychotic Tony Badino, the two meth-heads and their gang will stop at nothing to bring Everett down—and anyone else who's in his path. Will Everett and Karen survive the aftermath of a rock idol's life? Before you find out, take a word of advice from best-selling author Bill Myers: **"Full Tilt"** takes readers on one serious roller-coaster ride. Hang on!' With tension on every page, Amazon #1 Best-Selling author Creston Mapes demonstrates why is a "Top Pick" among mystery, fiction and thriller lovers.'

Happy reading in October, and don't forget that there are so many other great fiction and non-fiction books as well as reference materials and DVDs available in our church library - come 'check it (or them) out!!

AFRICA MISSION TEAM UPDATES

Hello St. Peter's,

Just wanted to touch base with you on the Uganda situation. We will not be able to travel there this year and we are not able to bring Joseph over at this time. Uganda has closed the borders for travel. This being said, we cannot forget the needs of our friends over there. The church still needs a roof and the people in the village still need medical attention. We have established a way to provide help for them through Joseph Aliguma, our guide and driver. We have already sent him \$500 from our funds that we have raised in the past couple yard sales. This money will help Joseph to be able to get out to the village and provide help. The churches have been closed, but as of last week Joseph has been able to open our church in Kalyango. Joseph is a great man and very trustworthy. Please keep him and our friends in Uganda in your prayers. If you have any questions, please feel free to talk with Randy, Jim, Denise or anyone else who has been with us over there. Obviously our fund-raising has been minimal, but we are planning on returning either in summer 2021 or in December, 2021.

Thanks,
Uganda Mission Team

Women's Ministry News

Women's Ministry meet on Saturday, September 26th and prepared a Taco Meal for the ladies at the Bethlehem Haven Women's Center in Pittsburgh. I want to extend a huge thank you to all the women that made and donated food for this project! We had more food to deliver to them than I had planned thanks to your generosity. Each woman received a lunch bag filled with items to make 2 tacos with all the toppings. And the second bag they received was filled to the top with homemade treats of cookies, mini muffins, home candies plus fresh fruit!! Many of us were disappointed that we were not able to serve the food to the ladies and spend some time socializing with them; but I am sure that they felt our love in each bag that they received.

On **October 10th** at 10 am - 12 noon we will meet in the Fellowship Room for a baby shower to support the pregnancy care center "Women's Choice Network". They are in need of NEW baby items or clothing for the new store, the "NEST" they are opening this fall. Clothing sizes needed are from newborn to 6X. They will accept nearly new items as well. A box designated for collection of items has been placed in the Meet and Greet area of the church for anyone wishing to donate but unable to join us for the baby shower. Monetary donations are being accepted as well and may be given to Marla Clouse, Ginni Smoke, or Sheri in the church office. At the shower I will be sharing more information about their program and a light refreshment will be served.

Since the end of August and throughout September we have given 4 Wedding Bags to the following couples: Travis and Leah (McGuire) Zeigler on August 28; Nataleigh (Kerr) and Ryan Trugan on September 12th; Rebecca (Weaver) and Lucas Franz on September 25th; and Jen (Bieber) and Jed Milcic on September 26th. Congratulations to the newly wed couples!

Blessings,
Marla Clouse

St.P Youth

For those of you that may not know, my undergraduate degree is in education and I spend some of my days off substitute teaching in the Seneca Valley School District. I enjoy subbing because I get to see many of my youth group students throughout the day and it is always fun to see them outside of church and youth events, almost as if I get a sneak peek into their day to day lives. I also enjoy subbing because I get to see what it is like to be a student today, allowing me to better connect with our STP students at youth ministry functions. So far this year, I have subbed quite a few days and have noticed something about the youth in our community; students today are resilient, adaptable, and open to change. With all the changes placed upon them this school year, our students are showing up to school each day with smiles on their faces and a gratefulness to be back in the classroom. We as adults certainly can learn a lot from our youth and this month, I ask you to pray that students can continue through October with positive attitudes and smiling faces, that school can continue, and that life can continue to regain normalcy one day at a time.

We are ready to tackle your fall projects! Contact Sheri or Aubrey for more information on how our Willing Workers can help you accomplish your fall household needs!

When placing an order on Amazon, be sure to go through this link: <https://smile.amazon.com/ch/25-6050542>.
A portion of your purchase is returned to the Youth Group and applied to their mission trip costs.
